T.C. MURDOCK FOUNDATION

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

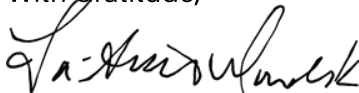

Hi,

Thank you so much for taking the time out to consider Grand Street Community Arts and its program Feed the Community which was established in July 2019 to provide meals to community members who are less fortunate.

Feed the Community started off as a way for a group of friends to gather and give back to those in need in Albany, NY, around the Capital Region. Since being established we have seen tremendous growth in the number of meals served, volunteers, and, community partners. We started out by serving 200 meals in 2019 and in 2020 serving 600 meals along with handing out 20+ care packages. Our goal is to continue that growth in 2022 by expanding our ability to serve more by adding an additional serving location and increasing the number of meals served to 1,000 meals served.

Our slogan is "We are stronger together" and we truly believe that by joining forces and combining resources we are able to continue serving and assisting those community members who are less fortunate. We hope that you will join our efforts to be a change-maker in our community and we truly thank you for your continued support!

With Gratitude,

Ta-Sean C. Murdock
Executive Director
